IZ-FOG

The EaZy Solution for Professional Fogging

THERMAL FOG GENERATORS

IZ-FOG

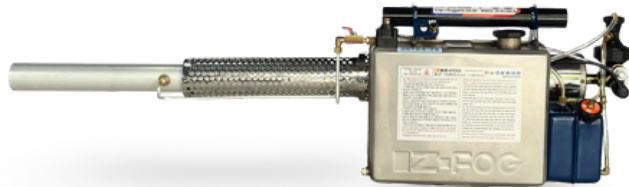

IZ-150A

Technical Specification

Engine Power	18.9kw / 25.7Hp / 16,500 kcal/h	Solution Tank Capacity	7 Liters
Fuel Type	Gasoline	Solution Tank Material	HDPE
Fuel Capacity	1.5 Liters	Flow Rate	50 Liters per hour
Machine Weight	8.5 Kg	Water/Fog Tube Diameter	56.5 mm
Dimension (LxWxH)	1200x325x365 mm	Droplet Size	5-30 microns

IZ-150AS

Technical Specification

Engine Power	18.9kw / 25.7Hp / 16,500 kcal/h	Solution Tank Capacity	7 Liters
Fuel Type	Gasoline	Solution Tank Material	Stainless Steel
Fuel Capacity	1.5 Liters	Flow Rate	50 Liters per hour
Machine Weight	8.5 Kg	Water/Fog Tube Diameter	56.5 mm
Dimension (LxWxH)	1200x325x365 mm	Droplet Size	5-30 microns

The **IZ FOG 150 Series** is designed for effective pest control and disinfection in commercial, public, and agricultural environments. It features a **thermal fogging system** that generates consistent fog density for thorough and uniform coverage

THE EaZy ADVANTAGE

EaZy to Start

Quick Ignition System

- Push button ignition with a built-in pump and stable ignition system; designed for quick start-up.

Continuous Operation

- Designed to maintain steady performance throughout the fogging process.

User-Friendly Design

- Simple, easy to handle, and efficient, ideal for any working environment.

EaZy to Maintain

Low Maintenance

- Fewer spare parts mean easier upkeep and less downtime.

Multi-Functional Components

- Simplifies repair, cleaning, and replacement, reducing maintenance costs.

Convenient Drain System

- Built-in drain allows easy cleaning and fuel removal, keeping the tank free from impurities.

EaZy to Save

Affordable Investment

- Highly cost-efficient without compromising performance.

Efficient Consumption

- Adjustable chemical valve controls fog density, saving chemical solution usage.
- Can use either water or diesel as a diluent without the need for special attachments.

Time-Saving Design

- Larger tank minimizes refilling and downtime of technician.

EaZy to Reach

Trusted Support

- Backed by over 20 years of experience in fogging machine service and maintenance.

Accessible Assistance

- Reliable after-sales and technical support available nationwide.

Customer Care

- Quick access to spare parts, service, and training whenever needed.
